

**Multi-purpose 4x3 ladder**  
**17704**

- possibility of unfolding to multiple positions ensures versatile use of the ladder
- reinforced steel structure increases ladder durability
- small ladder size after folding facilitates its transport, carrying and storage

1.66 m

2.5 m

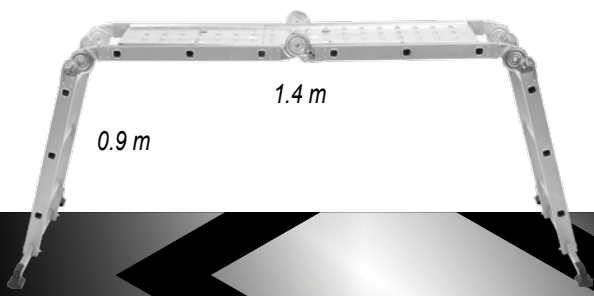

3.4 m

93.5 x 34.5 x 27 cm

- wide stabilizers remove the risk of toppling
- profiled anti-slip feet increase traction to the ground
- possibility of installing a 2-part VOREL platform (17705)

1.4 m

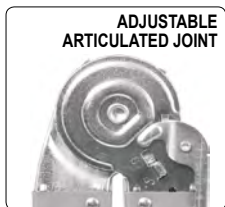

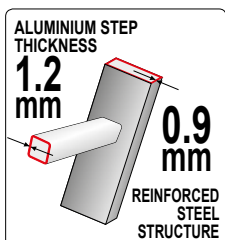

0.9 m
